Our Storytelling Clubs offer a fun and creative space where children develop literacy skills, boost confidence, and explore their imagination. Through reading performance, music, sound, illustration, and creative writing, kids engage in storytelling that increases communication skills and creativity. Led by experienced Club leaders with acting backgrounds, each session is tailored to different age groups, providing a safe and interactive environment. Perfect for improving self assurance and developing storytelling skills. Our clubs cater to children from Reception to Year 4 currently. Book in your child today and watch them grow into an amazing storyteller!
