Eltham C of E Primary School

Year 5 Literacy Long Term Planning

- This long-term planning grid ensures coverage and progression of the National Curriculum.
- The document should be used alongside the National Curriculum and ELS/CUSP Spelling overview to produce weekly English writing and Guided Reading plans.
- The whole text specified should be used as part of the teaching sequence for writing. Activities should be linked to it where possible but the focus should always be on what is going to provide the best stimulus for the children and get the best writing from them.
- Each whole text(s) should be covered over the half term and writing outcomes over a 2/3/4 week teaching sequence as appropriate.
- As much as possible, punctuation and grammar activities should be contextualised and taught within the units so that they best fit with the text type that is being covered.
- Carousel and Whole Class Guided Reading time should be used to specifically teach the Skills of DERIC and planning should have a clear focus that reflects these skills.
- Spellings are planned in line with the ELS scheme and Phase 5 phonics in Year 1 and from the Summer term of Year 1 and in Years 2-6 teachers follow the 'CUSP' spelling programme that covers the statutory requirements of the NC as well as supplementing with words from the statutory words lists for Years 3 and 4 and 5 and 6 (see separate overview).
- Handwriting is to be taught in line with Letter Join.

Spoken language	
	The national curriculum statutory requirements, which underpin all aspects of spoken language, are the same for all six years of primary education from Y1 to Y6. The requirements are further reflected and contextualised within the reading and writing domains. • listen and respond appropriately to adults and their peers • ask relevant questions to extend their understanding and knowledge • use relevant strategies to build their vocabulary • articulate and justify answers, arguments and opinions • give well-structured descriptions, explanations and narratives for different purposes, including for expressing feelings • maintain attention and participate actively in collaborative conversations, staying on topic and initiating and responding to comments • use spoken language to develop understanding through speculating, hypothesising, imagining and exploring ideas • speak audibly and fluently with an increasing command of Standard English • participate in discussions, presentations, performances, role play, improvisations and debates • gain, maintain and monitor the interest of the listener(s) consider and evaluate different viewpoints, attending to and building on the contributions of others • select and use appropriate registers for effective communication.
Eltham C of E's interpretation of how the statutory and non-statutory spoken language guidance can be broken down to show the progression of skills and knowledge across KS1 and KS2.	• To listen carefully, making timely contributions and asking questions that are responsive to others' ideas and views, e.g. participate in a collaborative project where they listen to the ideas of others and adapt these to meet the needs of the group. • To follow complex directions/multi-step instructions without the need for repetition. • To ask questions which deepen conversations and/or further their knowledge. • To understand how to answer questions that require more detailed answers and justification. • To narrate stories with intonation and expression to add detail and excitement for the listener. • To use feedback from peers and teachers (and from observing other speakers) to make improvements to performance. • To combine vocabulary choices, gestures and body movement to take on and maintain the role of a character. • To regularly use interesting adjectives, adverbial phrases and extended noun phrases in speech. • To know and use language that is acceptable in formal and informal situations with increasing confidence. • To recognise powerful vocabulary in stories/ texts that they read or listen to, building these words and phrases into their own talk in an appropriate way. • To plan and present information clearly with ambitious added detail and description for the listener. • To participate in debates/arguments and use relevant details to support their opinions and adding humour where appropriate. • To develop, agree to and evaluate rules for effective discussion; follow their own rules in small groups and whole- class conversations. • To engage in longer and sustained discussions about a range of topics. • To ask questions, offer suggestions, challenge ideas and give opinions in order to take an active part in discussions.
